"The City Engineer reports as follows:

Projects for Sidewalks, Pavement and Curbs, and Special Street Lighting, by Petition, have been advanced under the provisions of the Local Improvement Procedure By-law and will come before a Court of Revision on 9 March, 1976.

These projects are identified as Items 1 to 5 on the Collector of Taxes' Schedule 435. The works are related to the Langara Lands and the petitions were signed by the City Clerk on behalf of the City as owner.

I RECOMMEND, subject to the proceedings of the Court of Revision and Council, that the projects 'by Petition' Items 1 to 5 in Schedule 435, by undertaken.
